All registration fees are due before the student will be accepted. Registration includes a non-refundable fee of \$75.00 for each returning family or a non-fundable fee of \$125.00 for each new family. \*Returning students have the option to divide registration fees into 4 payments-due in February, March, April, and May.\*

Tuition is calculated on an annual basis; the payment plan has been set up for your convenience. All payments are considered late if received after 3:00 PM on the 10th of the month and a \$25.00 late fee will be charged.

All students (returning and new) must complete registration forms for each new school year. The necessary forms are available at the school office. Please remember **all forms and fees must be submitted together** to the school office in order to complete the registration process and to reserve a place for your child in a class.

\*Yearbooks are optional. Only the number of yearbooks that have been prepaid will be ordered. Please be aware that if a yearbook has not been pre-purchased, your child may not have opportunity to purchase one later.

Any registration forms turned in after May 10, 2024 may include an additional \$100.00 fee to cover additional charges incurred by the school.

**Partial refunds will be given before June 1st. Any withdrawals after June 1st will forfeit all monies and books. No exceptions.**

**All fees are subject to change.**
